Dear Client,

I have enclosed the Embryo Transfer contract(s) for the 2012 season. Please complete, sign and return together with the \$1000 Booking Fee. **The Booking Fee and Contract are required prior to the first flush of your mare.** For your convenience, we accept most major credit cards. See attached Credit Card Authorization form.

Please be sure to read the entire contract and contact us with any questions you might have. **We ask that you pay particular attention to the section of the contract regarding the return of Recipient mares.** If the option to receive a full \$1000 credit is chosen, it is important to note that the credit can only be used for future services. The credit may not be applied to unpaid balances from the current year's work.

I would also like to take this opportunity to remind you to contact your Breed Association to verify any requirements they may have regarding the Embryo Transfer Program. Many of these forms are available to you on our website at **www.RoyalVistaSouthwest.com**.

We sincerely appreciate the opportunity to assist you with your 2012 Embryo Transfer Program and look forward to hearing from you soon. Any of our staff, including our veterinarians, Dr. James W. Bailey, Dr. Ryan Coy, Dr. Kay Thurman and Dr. Renae DelHomme, welcome any questions you might have and would be happy to go into further detail about the Embryo Transfer process here at Royal Vista Southwest. Please contact us at (405) 527-0767 should you have questions or require additional information.

Sincerely,

Royal Vista Southwest
Allison Bailey
